How to use

1. ACCESS THE TRACKER

- Click the Access Link provided in this PDF
- You will be redirected to the Google Sheets file
- Select File → Make a Copy
- Save it to your Google Drive

This gives you your own editable version.

2. SET UP YOUR MONTH

- Select the Year
- Select the Month
- The tracker will automatically update dates and layout

No manual adjustments needed.

3. ADD YOUR HABITS

- Enter up to 25 habits
- Set monthly goals for each habit
- Keep them realistic and measurable

Examples:

Reading · Workout · Study · Meditation · Sleep

4. TRACK DAILY PROGRESS

- Mark completed habits using checkboxes
- Progress updates automatically

You'll see:

- Daily completion
- Weekly totals
- Monthly percentage

5. ANALYTICS & INSIGHTS

The dashboard updates in real time:

- Consistency Line — daily momentum
- Success Donut — monthly completion rate
- Weekly Bars — performance comparison
- Top Habits — strongest routines

Everything updates automatically.

6. PRINTABLE HABIT TRACKER

Included in this PDF:

- 10 habit slots
- 30-day layout
- Name & month section
- Progress graph
- Clean, distraction-free design

Use it when you want offline focus.

7. MOBILE USE

- Open with Google Sheets app
- Works on Android and iOS
- Pinch to zoom for easy use

NOTES

- Do not edit formula cells
- Edit only habit names and checkboxes
- You may customize colors if needed
- Best results come from daily use

YOU'RE READY. Track consistently, Build discipline, Let progress compound.
